The contemporary styling of the Meridian Lodge combines large living areas with distinctive furnishings to deliver a unique ambience with an overwhelming sense of space.

Relax in comfort on the modern chenille three piece suite whilst taking in the modern décor inspired by the latest design trends. You can choose to replace one of the feature bay windows to the front of this model with Outlook French doors to optimise the layout to suit your requirements.

The fresh, clean lines of the fully-featured kitchen are accentuated by the daylight that streams in through the incredible feature windows of the dining area.

There are plenty of surprises in the bedrooms. The elegant doors within the main bedroom of the two bedroom model open to reveal an enormous en-suite bathroom and a spacious walk-in wardrobe. Both models feature flexible twin bedroom accommodation with off-set beds and useful dressing table areas.
